

INVESTMENT OBJECTIVE

The objective of the Visio BCI Shariah Equity Fund is to achieve medium to long-term capital growth.

INVESTMENT POLICY

The objective of the Visio BCI Shariah Equity Fund is to achieve medium to long-term capital growth through investment across a number of sectors that complies with Shariah (Islamic Law) and the standards prescribed by the Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI). The Manager shall seek to achieve this objective through active management of a portfolio of assets which comprise a mix of equity and property securities (including collective investment schemes in property) that reflect the investment managers view of the relative attractiveness of the different sectors, assets in liquid form, participatory units in collective investment schemes and any other securities which are considered to be consistent with the portfolios investment objectives allowed by the Act from time to time. The portfolio shall invest in shariah compliant domestic and global equities, domestic and global property companies and financial instruments that have been approved for investment by the Shariah Supervisory Board (SSB) or Shariah Advisory Committee (SAC) from time to time. The portfolio will be predominantly invested in domestic assets. The portfolio may from time to time invest in listed and unlisted financial instruments.

INFORMATION AND DISCLOSURES

Risks

Certain investments - including those involving futures, options, equity swaps, and other derivatives may give rise to substantial risk and might not be suitable for all investors. Where foreign securities are included in the portfolio there may be additional risks such as potential constraints on liquidity and repatriation of funds, macroeconomic risk, political risk, foreign exchange risk, tax risk, settlement risk as well as potential limitations on the availability of market information.

*** Total Expense Ratio (TER)**

Please note: A higher TER ratio does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER cannot be regarded as an indication of future TER's. Transaction Costs are a necessary cost in administering the Fund and impacts Fund returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of Fund, the investment decisions of the investment manager and the TER. The prior year ("PY") TER and Transaction cost calculations are based upon the portfolio's direct costs for the financial year ended 30 June 2021, whilst the underlying portfolios' ratio and cost calculations are based upon their most recent published figures, being 31 March 2022.

Effective Annual Cost:

Boutique Collective Investments adopted the ASISA Standard on Effective Annual Cost ("EAC"). The EAC measure allows you to compare charges on your investments as well as their impact on your investment returns prior to investing. For further information regarding the ASISA Standard on Effective Annual Cost and access to the EAC calculator please visit our website at www.bcis.co.za. BCI calculates the EAC as per the ASISA standard for a period of 3 years up till the most recent TER reporting period.

#Monthly Fixed Admin Fee: R15 excl. VAT which will apply to all direct investor accounts with balances of less than R100 000 at month end, unless an investor transacts online, in which case no such fee will be levied.
