VISIO FR SHARI'AH EQUITY FUND (C)

INVESTMENT OBJECTIVE

The objective of the Visio FR Shariah Equity Fund is to achieve medium to long-term capital growth.

INVESTMENT POLICY

The objective of the Visio FR Shariah Equity Fund is to achieve medium to long-term capital growth through investment across a number of sectors that complies with Shariah (Islamic Law) and the standards prescribed by the Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI). The Manager shall seek to achieve this objective through active management of a portfolio of assets which comprise a mix of equity and property securities (including collective investment schemes in property) that reflect the investment managers view of the relative attractiveness of the different sectors, assets in liquid form, participatory units in collective investment schemes and any other securities which are considered to be consistent with the portfolios investment objectives allowed by the Act from time to time. The portfolio shall invest in shariah compliant domestic and global equities, domestic and global property companies and financial instruments that have been approved for investment by the Shariah Supervisory Board (SSB) or Shariah Advisory Committee (SAC) from time to time. The portfolio will be predominantly invested in domestic assets. The portfolio may from time to time invest in listed and unlisted financial instruments.

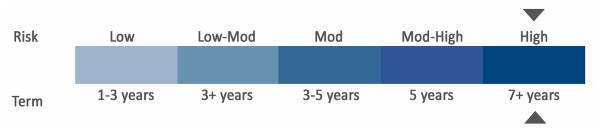
RISK PROFILE



High Risk

- This portfolio has a high exposure to equities and therefore tends to be more volatile than most other portfolios.
- Expected potential long-term returns are high, but the risk of potential capital losses is high as well, especially over shorter periods.
- Where the asset allocation contained in this MDD reflects offshore exposure, the portfolio is exposed to currency risks.
- Therefore, it is suitable for long term investment horizons.
- The portfolio may have a high exposure to derivative instruments, which may carry additional risks.

INFORMATION AND DISCLOSURES

Risks

Certain investments - including those involving futures, options, equity swaps, and other derivatives may give rise to substantial risk and might not be suitable for all investors. Where foreign securities are included in the portfolio there may be additional risks such as potential constraints on liquidity and repatriation of funds, macroeconomic risk, political risk, foreign exchange risk, tax risk, settlement risk as well as potential limitations on the availability of market information.

* Total Expense Ratio (TER)

Please note: A higher TER ratio does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER cannot be regarded as an indication of future TER's. Transaction Costs are a necessary cost in administering the Fund and impacts Fund returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of Fund, the investment decisions of the investment manager and the TER. The prior year ("PY") TER and Transaction cost calculations are based upon the portfolio's direct costs for the financial year ended 31 December 2025, whilst the underlying portfolios' ratio and cost calculations are based upon their most recent published figures, being 30 June 2026.

Effective Annual Cost:

Fundrock Collective Investments adopted the ASISA Standard on Effective Annual Cost ("EAC"). The EAC measure allows you to compare charges on your investments as well as their impact on your investment returns prior to investing. For further information regarding the ASISA Standard on Effective Annual Cost and access to the EAC calculator please visit our website at www.fundrock.co.za. FR calculates the EAC as per the ASISA standard for a period of 3 years up till the most recent TER reporting period.

#Monthly Fixed Admin Fee: From 1 June 2026, the monthly minimum administration fee per investment account for investors who do not transact online will be: More than R100 000 – no minimum administration fee; R10 000 to R100 000 – R15 per month (excluding VAT); Less than R10 000 – R25 per month (excluding VAT).

Total Investment Charges

* Total Expense Ratio (TER)	Transactional Cost (TC)	Total Investment Charge (TER & TC)
0.60%	0.16%	0.76%
Of the value of the Fund was incurred as expenses relating to the administration of the Fund.	Of the value of the Fund was incurred as costs relating to the buying and selling of the assets underlying the Fund.	Of the value of the Fund was incurred as costs relating to the investment of the Fund.

FAIS Conflict of Interest Disclosure

Please note that your financial advisor may be a related party to the co-naming partner and/or FR. It is your financial advisor's responsibility to disclose all fees he/she receives from any related party. The portfolio's TER includes all fees paid by portfolio to FR, the trustees, the auditors, banks, the co-naming partner, underlying portfolios, and any other investment consultants/managers as well as distribution fees and LISP rebates, if applicable. The portfolio's performance numbers are calculated net of the TER expenses. The investment manager earns a portion of the service charge and performance fees where applicable. In some instances portfolios invest in other portfolios which form part of the FR Scheme. These investments will be detailed in this document, as applicable.
